No entries

Publication of information in CEIDG about the attorney / proxy is equivalent to granting the power of attorney in writing / the establishment of a procuration.

The publication of information about the attorney / proxy is completed at the request of the entrepreneur, attorney or proxy.

Public administration bodies are required to confirm ex officio in the CEIDG the power of attorney / the authorization of the proxy to conduct the case on behalf of the entrepreneur (the attorney / proxy disclosed in the CEIDG is exempt from the obligation to attach to the case file a document confirming his right to represent the entrepreneur). This does not apply to cases conducted pursuant to the Act of August 29, 1997, Tax Ordinance, and the Act of November 16, 2016 on the National Tax Administration.

Important note Registration in CEIDG and all activities related to the entry are free of charge
